LUXE MOUSSE

**Rich Foam Wash
100ml**

Description

Indulgence meets performance.

This rich, cloud-soft mousse sweeps away impurities and make-up while keeping skin calm, hydrated and irresistibly smooth.

What makes it unforgettable:

- **Ultra-gentle deep cleanse**
- **Instant velvet softness**
- **Hydration that lasts**
- **Brighter, fresher-looking skin**
- **Luxurious, creamy foam experience**

A cleanser that transforms a simple wash into a radiant, feel-good ritual — every single day.

Ingredients

Aqua, Glycerin, Decyl Glucoside, Cocamidopropyl Betaine, Coco-glucoside, Polyglyceryl-4 Caprate, Pelargonium Graveolens Oil, Sodium Benzoate, Potassium Sorbate, Citric Acid, Citronellol, Citral, Geraniol, Linalool.

Directions

Dispense 2–3 pumps into the palm of your hand. Massage gently over damp face to form a rich cream. Rinse thoroughly with water.

REVIVE

Exfoliating Scrub Mask 30ml

Description

A dual-action exfoliating mask that smooths, brightens, and renews, without disrupting the skin barrier. Jojoba beads gently polish the surface while Mucor Miehei Enzyme lifts away dead skin cells for a refined, radiant finish.

Why it is a glow-giver:

- **Instantly smoother, softer skin**
- **Enzyme + gentle polish exfoliation**
- **Brighter, more even tone**
- **Comfortably hydrated — never tight**
- **Suitable even for sensitive skin**

From the very first application, skin feels refreshed, calm, and beautifully luminous.

Ingredients

Aqua, Hydrogenated Castor Oil, Glycerin, Propanediol, Xanthan Gum, Hydrogenated Jojoba Oil, Muchor Miehei Extract, Adansonia Digitata Fruit Extract, Cellulose, Sodium Benzoate, Potassium Sorbate, Sodium Citrate, Cellulose Gum, Citric Acid, Phytic Acid.

Directions

Begin with clean, dry skin. Apply an even layer of the scrub mask to the face, avoiding the eye area.

Leave on until the surface is dry to the touch. Do not wet the skin before exfoliating.

Gently massage in light, circular motions with fingertips for 1–2 minutes to exfoliate.

Rinse thoroughly with lukewarm water and pat dry. Use once a week.

Caution

For external use only. Avoid contact with eyes. In case of contact, rinse thoroughly with water. A mild tingling or warming sensation and temporary redness may sometimes occur after application. This is temporary and should subside. Patch testing before first use is recommended, particularly for sensitive skin.

RENEW

Anti-aging Crème 30ml

Description

Where advanced natural biotechnology meets botanical mastery.

This luxurious crème targets the visible signs of aging with a powerful fusion of marine innovation and plant-based hydration.

At its core is Micrococcus Lysate, a marine-derived biotech enzyme inspired by the purity of sea breeze — working to reduce dullness, fine lines, and the daily stress imprinted on the skin.

Paired with Tremella Fuciformis, the botanical super hydrator, it saturates the skin with deep, enduring moisture for a supple, luminous finish.

Why it delivers visible transformation:

- **Biotech-powered anti-aging that softens fine lines**
- **Deep hydration + lasting plumpness**
- **Brighter, more luminous complexion**
- **Strengthens and comforts stressed skin**
- **Leaves skin firmer, smoother, revitalized**

The result: smoother, brighter, more resilient skin — beautifully renewed.

Ingredients

Aqua, Squalane, Glycerin, Propanediol, Cetyl Alcohol, Glyceryl Stearate, Cetearyl Alcohol, Tremella Fuciformis Extract, Sodium Stearoyl Lactylate, Cellulose, Sodium Benzoate, Xanthan Gum, Pelargonium Graveolens Oil, Potassium Sorbate, Micrococcus Lysate, Cellulose Gum, Citric Acid, Citronellol, Citral, Geraniol, Linalool.

Directions

Apply to clean skin after serum. Gently massage into face and neck until absorbed. Use morning and evening.

GLOW

Advanced Super Serum 20ml

Description

A true wonder serum powered by ten naturally derived South African actives, formulated to defend, restore, and illuminate.

This multi-action powerhouse targets the visible effects of modern life — pollution, UV exposure, blue light, and extreme weather, while deeply rebalancing distressed, sensitive or fatigued skin.

Glow delivers next-level renewal: calming redness, easing inflammation, supporting the microbiome with prebiotic care and visibly smoothing lines with a neuro-cosmetic “bio-lifting” effect.

Why it is a radiance game-changer.

- **Shields against pollution, UV stress & blue light**
- **Calms redness, puffiness & inflammation**
- **Supports a healthy skin microbiome (prebiotic action)**
- **Firmer, smoother, more refined texture**
- **Brightens dull skin & boosts radiance**
- **Strong antioxidant defence**
- **Enhances collagen formation**
- **Accelerates cell regeneration for a revitalised glow**

The result: revitalised skin with a fresh, luminous glow.

BOTANILIN

Advanced Serum for Expression Lines 20ml

Description

Powered by next-generation peptide technology inspired by the science behind Botox. This precision serum targets the look of expression lines with refined, targeted effectiveness.

Botanilin helps visibly smooth, soften, and refine fine lines, leaving skin looking more relaxed, lifted and youthfully refreshed, all while preserving natural facial movement.

Why it is a breakthrough line-smoother:

- **Peptide-powered smoothing of expression lines**
- **Softens fine lines and tension zones**
- **Visibly lifted, more refined appearance**
- **Supports a youthful, relaxed skin look**
- **Lightweight texture with noticeable results**

A modern, plant-powered alternative for beautifully smooth, naturally expressive skin.

Ingredients

Aqua, Glycerin, 2,3-Butanediol, Caprylyl Glycol, Acetyl Hexapeptide-1, Citric Acid.

Directions

Apply a small amount to cleansed face and neck. Massage gently until absorbed. Use morning and evening.

RETINALT

Natural Retinol Alternative Serum 20ml

Description

A gentle, next-generation alternative to retinol, powered by upcycled Aguaje (Mauritia Flexuosa).

This serum uses the first-ever cosmetic active derived from the nutrient-rich pulp of Aguaje, upcycled ingredient from fruit pulp after oil-extraction.

Packed with vitamin A, proteins, and polyphenols, it delivers smoother, more youthful-looking skin with none of the irritation typically associated with retinol.

Why it's a natural-age-defying essential:

- **Retinol-like results, naturally derived**
- **Smooths rough texture & softens fine lines**
- **Boosts radiance and skin clarity**
- **Supports youthful firmness**
- **Gentle enough for daily use—no redness, no peeling**

Sustainable. Powerful. Exceptionally gentle. A modern retinol alternative that perfects the skin while caring for the planet.
